

## Eurotherm Update Email 9/12/09

Dear all

Thank you for your interest in the Eurotherm3235 Trial. We have 174 sites that would like to participate in the trial from 38 countries.

We received Ethical Approval for Scotland and England in June 2009. In December 2009 we started recruitment in the UK!

The Eurotherm3235 Trial Website has been developed and can be accessed at [www.eurotherm.3235trial.eu](http://www.eurotherm.3235trial.eu)

The electronic database for the trial is currently being developed by Lincoln and will be accessed through the website.

Trial documents have been translated into Italian, German, Estonian and Russian and Ethical Approval will be sought in these countries when all the paperwork is prepared. We will contact further sites and countries next year.

We really appreciate all the emails and enthusiasm for the trial.

We wish you all an enjoyable festive season and a good New Year.

Best Wishes

Eurotherm Trial Team
